St Marys Event Description Text

Use the simple styling tools to keep things clear and comprehendible.

If pasting-in text from elsewhere, Right-click and use *Paste and Match Style* to avoid transferring unhelpful font styles.

For definition or emphasis you can pick out **artist names** and so on in bold text.

"Quotes should be Italicised, with the quote in bold within inverted commas and the source in normal text." - Like This

Line Breaks
Using the Return key will give you a wide paragraph break, Shift+Return gives you a smaller line break if appropriate.

Images and Video
Our admin will add an extra image or embedded video content (one or the other is probably best) to the description, as provided by you.
